FULL INFORMATION

Best selling author of the *FISH! Philosophy*, Stephen Lundin speaks from the heart. His genuine words have changed the way people look at life and continue to connect with thousands of hearts. Listening to Stephen, you begin to understand that you can choose your response to life's challenges. Drawing on years of experience as an MBA professor, business consultant, author and filmmaker, Stephen helps organisations to shift their culture and create a workplace where people can truly experience the one life that is theirs to live. As one attendee mused, "He doesn't try to pump you up, he tries to show you where to find the pump".

FISH! Has now been a weekly Wall Street Journal bestseller for more than four years. Published in 34 languages, there

most recent book, *Top Performer*, is also a modern business parable based on the natural energy and salesmanship of one enigmatic street performer.
