## Biography

Best selling author of the FISH! Philosophy, Stephen Lundin speaks from the heart. His genuine words have changed the way people look at life. Listening to Stephen, you begin to understand that you can choose your response to life's challenges. Drawing on years of experience as an MBA professor, business consultant, author and filmmaker, Stephen helps organisations to shift their culture and create a workplace where people can truly experience the one life that is theirs to live. FISH! Has now been a weekly Wall Street Journal best-seller for more than four years. Published in 34 languages, there are now over seven million copies in print worldwide. Top Performer, is also a modern business parable based on the natural energy and salesmanship of one enigmatic street performer. Stephen's most recent books, Ubuntu and Loops the Seven Keys to Small Business Success have continued to increase his reputation as a world class author and thought leader in the areas of change management in business.
